The Missionary Position Christopher Hitchens, 2012-04-24 Among his many books, perhaps none have sparked more outrage than *The Missionary Position*, Christopher Hitchens's meticulous and searing study of the life and deeds of Mother Teresa--and it is now available as a Signal deluxe paperback. A Nobel Peace Prize recipient canonized by the Catholic Church in 2003, Mother Teresa of Calcutta was celebrated by heads of state and adored by millions for her work on behalf of the poor. In his measured critique, Hitchens asks only that Mother Teresa's reputation be judged by her actions--not the other way around. With characteristic elan and rhetorical dexterity, Hitchens eviscerates the fawning cult of Teresa, recasting the Albanian missionary in a light she has never before been seen in.

The Joy of the Gospel Pope Francis, 2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Prophetic Identities Justin Tolly Bradford, 2012 The spread of Christianity is often presented as a story of conquest, of powerful European missionaries waging a cultural assault on hapless indigenous victims. Yet the presence of indigenous men among missionary ranks in the nineteenth century complicates these narratives. What compelled these individuals to

embrace Christianity? How did they reconcile being both Christian and indigenous in an age of empire? Tolly Bradford finds answers to these questions in the lives and legacies of Henry Budd, a Cree missionary from western Canada, and Tiyo Soga, a Xhosa missionary from southern Africa. Inspired by both faith and family, these men found in Christianity a way to construct a modern conception of indigeneity, one informed by their ties to Britain and rooted in land and language, rather than religion and lifestyle. Although they shared a new sense of nativeness, the men followed different paths. Whereas Budd sought to create a modern Cree village to cope with the upheavals of the 1860s and 1870s, Soga tried to foster among his people a politicized, and Christianized, sense of African nationalism. In telling this story, Bradford portrays indigenous missionaries not as victims of colonialism but as people who made conscious, difficult choices about their spirituality, identity, and relationship with the British colonial world.

Coming of Age in Samoa Margaret Mead, 2024-05-07 First published in 1928, *Coming of Age in Samoa* is Margaret Mead's classic sociological examination of adolescence during the first part of the 20th century in American Samoa. Sent by the Social Science Research Council to study the youths of a so-called primitive culture, Margaret Mead would spend nine months attempting to ascertain if the problems of adolescences in western society were merely a function of youth or a result of cultural and social differences. *Coming of Age in Samoa* is her report of those findings, in which the author details various aspects of Samoan life including, education, social and household structure, and sexuality. The book drew great public interest when it was first published and also criticism from those who did not like the perceived message that the carefree sexuality of Samoan girls might be the reason for their lack of neuroses. *Coming of Age in Samoa* has also been criticized for the veracity of Mead's account, though current public opinion seems to fall on the side of her work being largely a factual one, if not one of great anthropological rigor. At the very least *Coming of Age in Samoa* remains an interesting historical account of tribal Samoan life during the first part of the 20th century. This edition is printed on premium acid-free paper.

From Apostles to Bishops Francis Aloysius Sullivan, Francis Alfred Sullivan, 2001 Examines the origins and development of the episcopacy in the early church with an eye toward its implications for current ecumenical issues relating to the episcopacy and apostolic succession.

The Invention of Religion in Japan Jason Ananda Josephson, Jason Ananda Josephson Storm, 2012-10-03 Throughout its long history, Japan had no concept of what we call "religion." There was no corresponding Japanese word, nor anything close to its meaning. But when American warships appeared off the coast of Japan in 1853 and forced the Japanese government to sign treaties demanding, among other things, freedom of religion, the country had to contend with this Western idea. In this book, Jason Ananda Josephson reveals how Japanese officials invented religion in Japan and traces the sweeping intellectual, legal, and cultural changes that followed. More than a tale of oppression or hegemony, Josephson's account demonstrates that the process of articulating religion offered the Japanese state a valuable opportunity. In addition to carving out space for

belief in Christianity and certain forms of Buddhism, Japanese officials excluded Shinto from the category. Instead, they enshrined it as a national ideology while relegating the popular practices of indigenous shamans and female mediums to the category of “superstitions”—and thus beyond the sphere of tolerance. Josephson argues that the invention of religion in Japan was a politically charged, boundary-drawing exercise that not only extensively reclassified the inherited materials of Buddhism, Confucianism, and Shinto to lasting effect, but also reshaped, in subtle but significant ways, our own formulation of the concept of religion today. This ambitious and wide-ranging book contributes an important perspective to broader debates on the nature of religion, the secular, science, and superstition.

Splitting Fay Weldon, 2013-04-16 **DIV** Multiple personality disorder gets a modern makeover in Fay Weldon’s wickedly subversive, hilarious send-up of English traditions and divorce/**div** Lady Angelica Rice used to be a teenage rock sensation called Kinky Virgin. She gave it up to marry fat, lazy, near-destitute Sir Edwin Rice—and that’s when Angelica’s “splitting” began: a chorus of four women in her head, each one demanding to be heard. Now, after eleven years—during which she spent all her money restoring Edwin’s crumbling ancestral manse to its former glory—he’s suing her for divorce. He accuses Angelica of making excessive sexual demands, refusing to bear children, taking drugs, and failing to provide proper food for his guests—all of which are lies. But what’s worse is that she still loves him./**div** Egged on by her avenging alter egos—meek Jelly, shattered Lady Rice, sexually insatiable Angel, and practical Angelica—she gets her revenge in this seminal novel about marriage, divorce, and one woman’s liberating leap into free fall. /**div**

Protestants Abroad David A. Hollinger, 2019-06-11 Between the 1890s and the Vietnam era, many thousands of American Protestant missionaries were sent to live throughout the non-European world. They expected to change the people they encountered, but those foreign people ended up transforming the missionaries. Their experience abroad made many of these missionaries and their children critical of racism, imperialism, and religious orthodoxy. When they returned home, they brought new liberal values back to their own society. *Protestants Abroad* reveals the untold story of how these missionary-connected individuals left an enduring mark on American public life as writers, diplomats, academics, church officials, publishers, foundation executives, and social activists. --

Vapor Trail Chuck Logan, 2009-10-13 It's hot. The snow is gone, the ice is gone -- winter is long forgotten. When the phone wakes Phil Broker at five a.m. on the morning of his forty-eighth birthday -- six months removed from his surviving a January cold snap that (in *Absolute Zero*) nearly claimed his life -- it's already ninety-two degrees. It's July, and Stillwater, Minnesota, finds itself in the middle of the worst heat wave in local memory. The news on the phone has nothing to do with birthday wishes, however. A year earlier, an angry citizen served as jury and executioner by pumping twelve bullets into a known pedophile -- and in the process became a folk hero, dubbed the Saint by locals. Despite protests to the contrary,

everybody in the community (including the police department) felt justice had been served, and the investigation quickly went cold. Ever since, strong rumors have circulated that the real reason the Saint hasn't been apprehended is that he -- or she -- is a cop. Now a priest has been murdered, and a clue left at the scene suggests it to be the work of a vigilante. Was the priest a sexual predator? Could the Saint be back? For the members of the Stillwater law-enforcement community, it means that a killer could be in their midst. The caller begs for Broker's help: as an outsider, Broker can be counted on to follow the investigation wherever it leads. But as the temperature mounts and new victims begin surfacing, Broker wonders if he's been set up to catch a bullet for a scandal that threatens to bring down the Stillwater Police Department.

Sex in the Ancient World from A to Z John Younger, 2004-10-07 Comprehensive, reliable and eye-opening, this A to Z examines the sexual practices, expressions and attitudes of the Greeks and Romans, from Catullus and Caligula, to orgies and obscenity to pederasty and prostitution.

Sex and Eroticism in Mesopotamian Literature Dr Gwendolyn Leick, 2013-01-11 Sex and Eroticism in Mesopotamian Literature is a new contribution to current debates about sex and eroticism. It gives an insight into Mesopotamian attitudes to sexuality by examining the oldest preserved written evidence on the subject - the Sumero-Akkadian cuneiform sources - which were written between the 21st and the 5th centuries B.C. Using these long-neglected and often astonishing data, Gwendolyn Leick is able to analyse Mesopotamian views of prostitution, love magic and deviant sexual behaviour as well as more general issues of sexuality and gender. This fascinating book sheds light on the sexual culture of one of the earliest literate civilisations.

Doll's Eyes Bari Wood, 1994-12 Wood's usual Lady Luckless is poor little rich girl Eve Klein, whose millions can't buy her relief from her other inheritance: the clairvoyant powers that have recently frightened off her husband, Sam. Hoping to confront him, Eve drives from her Connecticut estate to Sam's new house in Raven Lake, New York, where she's instantly felled by a vision of a woman mutilated and dying - the handiwork of local sociopath Adam Fuller, M.D., whose eyes (empty ... dead ... glassy. Like a doll's eyes') give away his utter inability to feel for others, the product of a buried childhood trauma: Fuller kills in the barren hope of feeling pity for his victims. Eve's call to the cops snares homicide legend Dave Latovsky, who takes her to see psychiatrist Terrence Bunner, who happens to have Fuller as a patient. When, at a party, Bunner lets on to Fuller that Eve - whom he won't identify - saw the killer in her vision, the mad M.D. tracks a gory path to the psychic, torturing and shooting Bunner, then a local newsman and his wife, to get Eve's name and address. Meanwhile, at Bunner's funeral, Latovsky notes Fuller's Ken-doll eyes and fingers him for the killer but can't nab him before Fuller snatches Eve, hauling her to his childhood home. There, Eve flashes on the child abuse that turned Fuller into a maniac ... A lurid, loose-jointed tale whose frantic action and emotionalism nearly obscure the familiarity (Koontz, King, etc.) of Wood's themes.-- Kirkus

White Lies Dexter Petley, 2008-06 Nobody believes in love at first sight. Norman didn't until he read about 'Joy, The Gold Panning Missionary' in an African magazine and set out to find her. But it isn't easy to find love in East Africa in the early eighties; this is a region with a heavy colonial hangover.

Missional Church Lois Barrett, 1998-02-09 What would a theology of the Church look like that took seriously the fact that North America is now itself a mission field? This question lies at the foundation of this volume written by an ecumenical team of six noted missiologists—Lois Barrett, Inagrace T. Dietterich, Darrell L. Guder, George R. Hunsberger, Alan J. Roxburgh, and Craig Van Gelder. The result of a three-year research project undertaken by The Gospel and Our Culture Network, this book issues a firm challenge for the church to recover its missional call right here in North America, while also offering the tools to help it do so. The authors examine North America's secular culture and the church's loss of dominance in today's society. They then present a biblically based theology that takes seriously the church's missional vocation and draw out the consequences of this theology for the structure and institutions of the church.
